

**GOOD** for you.

**Our daughter, Kylie, was the light of our lives.**

She was a fourth grader with a vibrant personality, and she loved school and her friends. Kylie had a big heart and was always the one who comforted those who were hurt, and the one who made friends with the kids who were left out. She loved her brothers, her little sister and her grandparents so much. Kylie was 9 when she died after surgery on her heart. When we were asked about organ, eye and tissue donation, we said yes. A little boy around her age received her liver and two adults received her kidneys. Kylie was very kind and very caring. She would have wanted to help someone if she could. We will miss our sweet daughter always.

Organ, eye and tissue donation saves lives. Please make your decision to donate life, and then tell your family!

**The Global Organization for Organ Donation, GOOD,** is a not-for-profit organization dedicated to raising public awareness for organ, eye and tissue donation. Please visit us at [www.global-good.org](http://www.global-good.org) or by calling 918-745-6637 or call LifeShare of Oklahoma 1-888-580-5680 ext. 120 or ext. 123. To register to be a donor, go to [www.lifeshareregistry.org](http://www.lifeshareregistry.org)
